

Our network – Team Alderney

Alderney eGambling is supported by a network of experienced professionals with an extensive knowledge of the eGambling sector. Team Alderney is a collective of service providers made up of hosting, technical, telecommunications and corporate service suppliers offering a dedicated and bespoke service to Alderney Gambling Control Commission (AGCC) licensees. We will be happy to provide personal introductions to Team Alderney members should you wish to pursue an application to the Alderney Gambling Control Commission.

Corporate services

From company formations, registered offices, corporate administration, provision of directors to banking arrangements, compliance assistance, book keeping and accountancy services. Our connections are able to assist with the full spectrum of corporate services.
